Sunday 6 August			<p>School of Therma is located to the village of Therma. Fidelio is located at Kamariotissa and Pnevmatiko Kentro at Chora. Both these location are situated at a long distance from Therma village. We strongly recommend finding a place to stay at Therma or at the camping sites. Transportation from Therma to these two distant locations will be performed by a bus, servicing only retreat members with a small ticket of aprox 1,5€ per ride. Bus will be departing from Therma at 16:30.</p> <p>Please take into consideration the time shedule affects everyone and be always on time (10min earlier) on every appointment.</p> <p>If you have any question please send an email to Info@improv.gr or use our FB page. (House of Improv)</p> <p>All other specifics and questions will be discussed on our Monday 13:00 Retreat Meeting.</p>
